www.mardefrades.es

VISUAL: intense straw yellow with a medium body.

NARIZ: pear, litchi, almond, vegetal notes, citrus fruits, whitethorn and lacquer.

BOCA: the citrus fruits, at the end of the nose, is also confirmed at the mouth; a good mineral note and a generous salivation are balanced by a softness which gives you the sensation of melting butter. The intense aromatic persistence is about 3-4 seconds.

MARIDAJE: aperitif

OPINIÓN PERSONAL: simple wine but coherent in its manner of capturing the taste buds.
