FLAVOURS: plum marmalade, blackberries, blueberries, leather, carob, vegetal note and red rose

PAIRING: grilled boiled beef

- The succulence of the meat is compensating for the alcoholic dryness of the wine
- The sweet tendency of the meat is counterbalancing the sapidity (mineral salts) of the wine
- The structure of the recipe is matching to the structure of the wine
- The gustative persistence of the recipe is pairing with the aromatic persistence of the wine
