VISUAL ANALYSIS: limpid, ruby red and quite flowing.

OLFACTORY ANALYSIS: cherry, grass, strawberries, violet and a hint of chocolate.

GUSTATIVE ANALYSIS: there is an alcoholic dryness, a bitterish tendency of the tannin, no mineral notes, an important astringency note and a final cherry flavoured. The gustative aromatic persistence is about 5 seconds.

WINE-FOOD COMBINATION: underdone steak

- The succulence of the meat is counterbalancing the alcoholic dryness of the wine
- The sweet tendency of the underdone hamburger is counterweighing the bitterish tendency of the wine
- The salivation produced by chewing the hamburger is countervailing the alcoholic dryness of the wine
- The structure of the recipe is equalizing the structure of the wine
- The olfactory-gustative persistence of the recipe is matching to the intense aromatic persistence of the wine
