3. Wine-list: optional information

- 1. Presentation of a page with wines suggested for their good price-quality relation*
- 2. Insert the possibility of by-the-glass wine service and relative prices*
- 3. Adding to the traditional wine-list another wine-list for ladies, where the only difference is the absence of the prices, that's to say the bottles of wines are reported without prices*
- 4. Final touch: the signature of the Sommelier on the wine-list, seal of his personality and his professional competence*
