**CHAKANA ANDEAN WINES – ESTATE MALBEC – ELABORADO Y EMBOTELLADO POR PROVIVA SRL – RUTA PROV. 15 – KM. 54 – LUJÁN DE CUYO – MENDOZA – ARGENTINA 2012 14,2%**

**“Chakana was the Inca name for the Southern Cross constellation which ruled their agricultural calendar. Our wines are inspired by the Inca’s understanding of and respect for nature’s forces”**

**VISUAL ANALYSIS:** ruby with violet reflections

**OLFACTORY ANALYSIS:** blueberries, blackberries, black pepper, scent of orange and violet

**GUSTATIVE ANALYSIS:** nice alcohol and good softness; the tannins are really interesting and the finish is blueberries flavoured; the gustative aromatic persistency is about 4/5 seconds

**WINE-FOOD COMBINATION:** *risotto con broccoli* (Italian recipe)

- The alcoholic dryness of the wine is counterweighing the succulence of the risotto
- The astringency of the tannins is counterbalancing the succulence of the risotto
- The structure of the wine is pairing the structure of the recipe
- The gustative-aromatic persistence of the wine is matching the gustative-olfactory persistence of the recipe
