

LUPICAIA – TOSCANA INDICAZIONE GEOGRAFICA TIPICA – IMBOTTIGLIATO DAL PRODUTTORE G.A. ROSSI DI MEDELANA – CASTELLINA MARITTIMA (PI) – ITALIA 14,5% 2001

Questo vino nasce dall'assemblaggio di uve Cabernet Sauvignon e Merlot, invecchiato in barriques d'Allier nuovi per circa diciotto mesi, quindi affinato in vetro.

COLOUR: red garnet with orange reflections

FLAVOURS: tabacco, leather, humus, mushrooms, clove, vanilla, red fruit marmalade, coffee, potpourri of dry red flowers and goudron

TASTE: mellow and with very balanced tannins; pretty sapidity (mineral notes) with a pleasant crisping; good salivation with a final coffee-humus-leather flavoured; the gustative aromatic persistency is about 7/8 seconds

PAIRING: on every occasion

MY PERSONAL OPINION: This is a perfect wine without any kind of defects. In the midst of the euphoria that occurs being in front of this wine, you can realize that you are talking about of a Top Wine without complexes. It has reached what oenology has come to consider the Perfection.
