**At the visual analysis,** it demonstrates to be limpid and the colour is golden yellow with silver reflections.

**At the olfactory analysis,** the perfumes, which compose the olfactory bouquet, are all clear, neat and limpid. As the description of the olfactory sensations, it is easy to identify the grass, the musk, aromatic herbs, incense, medlar, orange and wild flowers.

**At the gustative exam,** the alcohol sensation is not so strong and allows to the flavours to come out just to confirm what we have perceived at the nose (orange, grass and wild flowers). As a matter of fact, the nose-mouth correspondence is good.

**At the retro-olfactory analysis,** the heating sensation justified for the alcoholic percentage of the spirit is almost unnoticed while the aromatic herbs sensation is really nice. The gustative aromatic persistence is about 21/22 seconds.

**MY PERSONAL OPINION:** a familiar tequila just to reciprocate some affection ...
